

Gregory O. Scott is a pen name for fan fiction writer HandofThrawn45. When Disney rebooted the Expanded Universe in 2014, it brought about the official end of the Star Wars Legends continuity. Yet while no new official Legends books have been released since the official end of the Legends line of books, not everyone has been willing to accept that it would seem. Since 2018, HandofThrawn45 has written a number of fan novels which are intended to close off the loose ends created in the wake of Disney's end of the Legends Continuity.

A year has passed since the Emperor's death. Ysanne Izard struggles to hold the Empire together and the New Republic is hunting her elite Grand Admirals. Meanwhile, Imperial fighter ace Baron Soontir Fel has defected to Wedge Antilles' Rogue Squadron. The former enemies are drawn together by the need to save one woman from Isard's vengeance: Syal Antilles, Fel's wife and Wedge's sister.

Feel, Wedge, and Izard all search for Seal, but another party is closest to finding her: the rogue stormtrooper unit called the Hand of Judgement. Before this epic tale of war, politics, and espionage is over, the Republic will be forced to reckon with three legendary Grand Admirals. Soldiers on both sides will make the final judgement of where their loyalties lie.
